GSI-QIP is **NOT a Foundation Course**. It will not help you study the basics from standard reference books. GSI-QIP is an **ADVANCED** General Studies course **SUITABLE** only for such aspirants who have thoroughly covered their basics either through a GS Foundation course or through self-study and those who have taken attempt(s) at the exam but couldn't crack it or get the desired rank.

It is aimed to make their self-study time **disciplined** and **structured**, while **enhancing their knowledge and skill levels** so that they can figure in the **TOP 100 RANKS** in their forthcoming attempt at the Civil Services Exam.

PEDAGOGY: HOW WILL GSI-QIP HELP YOU SCORE TOP RANK?

Majority of the UPSC aspirants who fail to crack the exam or get a top rank, struggle with one or more of the following problems:

- They fail to prepare in accordance with Prelims and Mains demand.
- They have completed the syllabus but are not being able to answer the questions.
- They have the confidence of cracking Mains but are unable to clear Prelims.
- Not able to improve their Mains score even after repeated attempts.
- Lack Multi-dimensional perspective and approach towards GS Answer & Essay writing.
- Waste time in gathering information from scattered sources.
- Struggle with systematic and targeted revision before Prelims and Mains.

This course will follow an **APPLIED APPROACH** through:
